

Guidelines for Granting Street Parking Temporary Exemptions:

- A street parking exemption is discretionary and must be for a good cause.
- The exemption will not be longer than 2 weeks.
- Street parking temporary exemptions must be applied for at least 3 business days before the exemption is required. The application is found at [Community Forms - Lakes of Cypress Forest Community Association LCF - Conroe, TX \(cincwebaxis.com\)](http://Community Forms - Lakes of Cypress Forest Community Association LCF - Conroe, TX (cincwebaxis.com))
- Street parking exemptions for guests or residents will only be granted if the visiting car is unable to park in the driveway because the driveway is full or they are unable to park in the garage and driveway because of construction, work being done, moving, etc.
- RV/Travel trailers may be granted street parking to allow for loading and unloading of the vehicle.

Overnight Parking and Towing Policy – July 31, 2014

8. Temporary Exemption: The Association may grant a temporary exemption to this policy for a maximum of two weeks (may be extended under certain circumstances). The Association will consider extended exemptions for situations such as a child being home from college and there is no room on driveway for vehicle. Request for a “Temporary Exemption” pass may be obtained from the “Association Office” during normal business hours. The pass shall show the dates of the exemption, the license plate number of the vehicle, and state conspicuously to “Place on car dash in plain sight through windshield.” The pass shall also contain a reminder that, “If vehicle remains after expiration date, it will be towed.” Displaying an unauthorized or expired Temporary Exemption notice will result in a fine of \$100 dollars.
